Description

Welcome to Georgia Medicare Help

Weâ??re a Georgia-based resource created under the Pretty Penny Capital brand. We are not affiliated with the federal government or Medicare. Our goal is to provide clear, unbiased information so you can make confident decisions about your Medicare coverage.

Medicare can be confusing. Whether youâ??re turning 65, already enrolled and considering changes, or helping a family member, weâ??re here to guide you.

What We Offer

- **Information & Education:** learn the basics of Medicare Parts A and B, as well as the differences between Medigap, Medicare Advantage, and Part D plans.
- **Enrollment Assistance:** weâ??ll point you to the correct phone numbers and official websites to enroll in Parts A and B, and we can schedule an appointment with a licensed Medicare agent to discuss your options.
- **Local Support:** as Georgia residents ourselves, we understand the plans available in our state and can help you find the coverage that fits your needs.

Why Choose Us?

- **Independent Guidance:** because we represent multiple carriers, our recommendations are based on whatâ??s best for you, not the insurers.
- **No Cost to You:** our services are free to you. Weâ??re compensated by the carrier you choose.
- **Year-Round Service:** weâ??re here to answer questions and assist you with claims, plan changes, and renewals throughout the year.
